To: Potential volunteers

From: Jennifer Benton, ADC
Activity Director

JBenton@stanleytotallivingcenter.org

704-263-1986 xt. 189

Thank you for your interest in our volunteer program. There are many ways that volunteers use their time and talents here at the Stanley Total Living Center. Whether working with large groups of residents, small groups or one-to-one time with individuals, together we may can find a place for you.

To start the volunteer process, you are required to:

- Be at least 18 years of age
- Request a certified criminal background check from the county courthouse in which you live
- Consent to a TB skin test
- Consent to a drug screening
- Fill out the volunteer application attached to this letter

After these things are completed and submitted back to STLC, you may be contacted to attend volunteer orientation training. These trainings are only offered once every other month and are required before any scheduled volunteering can occur. The training session will last approximately two hours. Please bring your driver's license (or other photo ID) and a black ink pen with you.

If you have any other questions about volunteering, feel free to contact me at the email listed above. I appreciate your willingness to serve and look forward to reviewing your application. Please note: STLC does not partner with individuals seeking to complete court appointed community service hours.

Jennifer Benton, ADC
Activity Director

Is there anything else you would like us to know concerning your skills or application?

I agree that I have read the requirements for volunteering and do agree to provide a certified background check from the county in which I live. I also agree to be subject to random drug screen and/or TB testing during my time as part of the Activities department. Furthermore, I realize that my application for volunteering will not be considered if I do not provide the certified background check in two working weeks after submitting this application. I also realize that failure to fulfill the assigned tasks as a volunteer, under the supervision of the Activity Director, will jeopardize my ability to serve and/or may terminate my relationship in volunteering at STLC permanently.
